

Pica VISOR
permanent
Longlife Industrial Marker

THE REFILLABLE "MULTI-USE" MARKER

Never dries out.

MULTI-USE

Pica VISOR permanent

The refillable "MULTI-USE" Marker
Pica VISOR permanent
Longlife Industrial Marker

For all material surfaces from glossy to very rough

- Refillable in a few seconds
- Extremely insensitive and versatile for water resistant marking on almost all surfaces
- Most economic: 1 lead substitutes up to 5 conventional ink or paint markers
- Patented high-tech twist-mechanism for rapid and convenient handling
- Useful quiver cap with clip for perfect one handed handling
- Extremely long-lasting and environmental friendly due to high quality product technique and refillability

Never dries out!

- The innovative Marking Crayon always delivers full performance, from the first to the very last line
- Blue, white and black (●○●): chloride-free for marking on stainless steel
- Color Fluo-Orange (●054) is a premium luminescent crayon for optical reading sensors
- Avoid temperatures over 40° C
